Mr. Murtagh,

Our family resides in
Talcha Alaska near the Husk
home. I first met Glade
Husk about 5 years ago,
he quickly became friends
with our 2 sons. We
found Glade to be a caring
individual, always willing
to lend a helping hand.

He would visit with
our family, snowboard in
the winter with my sons
or fish with them during
the summer. Glade was
always dependable and
we've thought of him as
a young man of good
character.

Thank you for your
consideration of our letter.

Sincerely,
Mr. & Mrs. Dan McGrath
